International Day of Clean Air for Blue Skies

02

On the occasion of the International Day of Clean Air for Blue Skies, multiple public awareness campaigns were organized in the city by Ghaziabad Municipal Corporation such as rallies, plantation drives, and workshops. The main purpose of these activities was to reach out to the masses and sensitize them on the measures to conserve the environment. Horticulture Department, Health Department, Construction Department, Water Department, and other allied departments also participated and performed their works to disseminate the message to a wider audience.
